- We have read & understood the statutes (available from [website](#)).
- We have read and fully agree to the Swiss Food Research [Charter](#)
- We have read & understood the confidentiality clause (see below)
- We have read & understood the data protection clause (available from [website](#))

Membership of an association does not include the membership of its corresponding members. Only the association becomes a member of Swiss Food Research but not each of the association's members.

The membership will be automatically renewed by 1 year unless a resignation is received latest 4 weeks before years end. Membership fee will be paid for the first time right after entry. Regular payments will be at the beginning of the year.

Confidentiality Clause: Swiss Food Research will keep all Information being declared as confidential and received from above mentioned member („the member“) confidential. Without permission by „the member“ Swiss Food Research will not disclose this information to other members or to third parties. All rights remain with the corresponding party holding the rights. In case of proven breach of this clause Swiss Food Research can be hold liable up to a maximum of 10'000.– CHF. This agreement can be replaced by other agreements put in force between „the member“ and Swiss Food Research. This agreement comes in force with the date of the membership contract and remains valid for the period of the membership.

Swiss Food Research, Dr. Fabian Wahl, President
